

SOL REAL VINHO VERDE WHITE // 2021

THE WINE

This wine is produced from grapes traditionally used in the Vinho Verde demarcated region, especially in the Sousa sub-region.

Bright and citrusy, with fantastic natural acidity and just a hint of bubbles. Fruit-forward with green apple and grapefruit aromas. Produced with Arinto, Trajadura & Loureiro grape varieties (typical of the vinho verde region) and at 9.5% alcohol, this sustainably-farmed wine is fun in a bottle.
